**INTERNATIONAL
WORKERS' DAY**

JOIN US!

Glasgow Friends of MayDay is a membership organisation that has been formed by interested trade unionists and others to renew and celebrate the tradition of MayDay as International Workers' Day in Glasgow.

Starting in 2011 with a series of events in the days leading up to May 1 and the MayDay march and rally in Glasgow, we hope to challenge the attempts of the current government to abolish MayDay as a public holiday and celebrate the day as a day for working people and their families.

Eventually we hope to spread the celebrations around Glasgow and the surrounding communities.

We will be a membership organisation open to all. We hope to be able to offer something tangible to members in the future, such as discounted tickets and other benefits. More details on the web at <http://may1st.org.uk/>
